

Social Media Release Form

Bassin and Hession Orthodontics would like your permission to use images (videos, photos and x-rays) taken of you/your child to showcase the amazing before, progress and after smiles on our website, Facebook page and Instagram page.

Our office is hoping to use this content for educational and marketing purposes on one or multiple social media platforms including, our website, Facebook page, Instagram pages and TikTok page.

Please indicate below the following areas where you consent to the use of your/your child's videos, photos and x-rays.

Please check all that apply.

_____ Full face can be shown

_____ Teeth-only can be shown

_____ X-rays can be used

_____ Testimonial Quote

_____ Full name can be used

I hereby consent to my/my child's videos, images, X-rays to be used on social media. I understand that I can revoke this release at any time in writing and that the use of my photos or other information authorized by this release will immediate cease. I understand that revoking this release does not include any posts already used by the authorization of this release.
